Fine Calculation Policy

Introduction: In this file you are going to know the fine calculation policy in IIIT UNA Library.

Calculation: Suppose if you have issued books and You have not returned n books till m days, then:

if returned within 10 to 15 days:

$$\text{fine} = n * 5 \text{ rupees}$$

for more than 15 days:

$$\text{Fine} = n * 20 \text{ rupees}$$
